PGL2130 and L2135

LASER B&W PRINTERS

The Olivetti PG L2130 and PG L2135 desktop laser B&W printers are the perfect solution for individual users and small workgroups.

These compact, robust devices deliver **high productivity**, **low running costs**, **fast** and **silent** operation, and a series of indispensable functions for a professional daily use.

Equipped with a duplex for front-back printing, the models operate at speeds up to **30** and **35 ppm** respectively, with a **first-page time of approximately 6 seconds**.

Both printers feature a standard 250-sheet paper tray and 50-sheet by-pass. For specific user requirements, performance can be boosted with **options including**: **a memory expansion**, **a network board**, **paper trays** (for a top capacity of 800 cut sheets for the PG L2135).

SPEEDS UP TO 30 ppm AND 35 ppm RESPECTIVELY
